QUICK START GUIDE

iGrow Career Assessment for Graduates

From free account to career plan in 8 steps

About 40 minutes | **176 questions · 12 parts** | **Coupon code required** | **Full PDF report emailed** | **Free iGrow account needed**

1 Create Free Account

Open successmastersacademy.in/join-free → **Create My Free Account**. Fill in Username, Name, E-mail and Password, tick **I'm not a robot**, then click **Register**. Click the verification link in your email.

2 Open Graduate Assessment

Log in, then open career-assessment-for-graduates. Read the 5 tips and click **Start the assessment** →.

3 Apply iGrow Coupon

Type **[ENTER YOUR iGROW COUPON CODE]** exactly as shared, with its hyphens, and click **Check coupon**. You'll see a **"Coupon … accepted"** badge. There is no checkout or payment step.

4 Register Your Profile

Fill in **Tell us a little about you**: name, WhatsApp number, **email (your report goes here)**, study details. Tick the required consent box, then click **Begin Part 1** →.

5 Start Assessment

12 parts · 176 questions · about 40 min. Tap 1–7 for each statement. Every question is required. Use **Next part** → and ← **Back** to move between parts.

6 Submit Answers

Progress saves on this device. If you leave, return in the same browser and click **Continue where I left off**. After the last part, keep the page open while your answers are sent.

7 Access Report

See your **Assessment complete** first look on screen. Your **full PDF report is emailed** to you (check Spam). Save it and book your debrief on WhatsApp.

8 Plan Your Career

Shortlist 2–3 paths, check your skill-gap map, and start your 30-day plan. Combine the report with mentor guidance.

Remember: answer as you usually are, not as you think you should be. There are no right or wrong answers. One coupon = one report. Use the same device and browser from start to finish.
